Life Skills and Self-Help Skills

(Activities of Daily Living)

Self-help activities are everyday tasks that help children learn to take care of themselves independently, without depending on others. These activities develop self-confidence, responsibility, and good personal hygiene.

Activity: Practice the following self-help skills at home with the help of your parents :

1. Buttoning and unbuttoning a shirt.
2. Tying and untying shoelaces.
3. Buckling and unbuckling a belt.
4. Eating food independently using a spoon and fork.
5. Using the toilet independently and maintaining proper hygiene.

Craft Activity

Prepare the following crafts with the help of your parents and submit them to your class teacher on **22nd October 2026**. You can easily learn how to make the craft activities by clicking on the link given below :
