Life Skills and Self-Help Skills

(Activities of Daily Living)

Self-help activities are everyday tasks that help children learn to take care of themselves independently, without depending on others. These activities develop self-confidence, responsibility, and good personal hygiene.

Activity: Practice the following self-help skills at home with the help of your parents :

1. Buttoning and unbuttoning a shirt.
2. Tying and untying shoelaces.
3. Buckling and unbuckling a belt.
4. Eating food independently using a spoon and fork.
5. Using the toilet independently and maintaining proper hygiene.

Craft Activity

Prepare the following crafts with the help of your parents and submit them to your class teacher on **22nd October 2026**. You can easily learn how to make the craft activities by clicking on the link given below :

Project Work

Making Leaf Motifs

Create a design with leaf motifs.

Materials required: Fallen leaves of a few plants or trees, water colour, A4 size sheets of paper, a drawing brush

Method:

- Take a piece of paper for your leaf print.
- Put some colour on the surface of the leaf.
- Gently flip the coloured side of the leaf onto the paper.
- Carefully press the leaf to ensure that the entire leaf print comes on the paper.
- Repeat the same with different leaves and colours.

HOLIDAY HOMEWORK INSTRUCTIONS

Dear Students,

Kindly make a **three-in-one combined notebook** for Holiday Homework and complete all your holiday homework in that notebook only. Decorate the notebook neatly and beautifully.

Note: Holiday homework carries **10 marks**. Ensure that all the work is completed neatly and presented attractively.
